COACH * SPEAKER * AUTHOR

Jennifer Dawn is a successful Business Coach and founder of Best Planner Ever. She began her entrepreneurial career selling apples off her grandfather's tree because a lemonade stand was so "yesterday". She's a serial entrepreneur who has grown two multi-million-dollar businesses, is a successful speaker, and author. She serves high-achieving entrepreneurs through private business coaching and hands on workshops. Jennifer is a master at setting and achieving goals, problem solving, profitability, and cash flow.

Jennifer's approach to goal planning is unique; she breaks it down in a loving and compassionate way.

I now understand that even with setbacks and life's challenges I can still create the life and vision that I want.

Thank you, Jennifer!
